Welcome!

Summer is the time that each child anticipates for months prior. At Government Street Baptist our Child Development Center has a great summer full of exciting activities planned for children K4-5th grades.

Activities are planned to keep campers busy and happy. These activities include sports, swimming, field trips, and crafts. The charges for most of the activities are included in the fees. We are excited to say this year we have added an extra week of activities and day of field trips. A calendar will be available which will include detailed cost and activities.

Whether a camper comes one or five days a week, accounts will only be charged for days attended. A hot breakfast and lunch and one snack is provided daily. An additional snack of two items (coke, chips, ice cream) can be purchased for \$1 a day.

Camp Counselors are energetic and qualified to work with your children. They are assisted by college age students who are eager to work with children all summer. We regret that we are not able to accomodate children with special needs who are unable to function in a group setting.

After reading this brochure carefully and if we can meet the needs of your child, then please contact the Child Development Center at 660-7444. A Registration/Medical Form is available at the CDC office. All forms must be completed and all beginning fees must be paid before the child attends camp.

WE WILL HAVE A MEETING WITH PARENTS, Tuesday, MAY 18 @ 6p.m. All parents are asked to attend. Any questions about the policies and procedures will be addressed and a detailed calendar will be handed out
